(vii) The Board will not renew the license of any person who during the license year has been convicted of any offense against the laws of the State or the United States which in the judgment of the Board is of such a nature as to render the licensee unfit or unqualified to obtain a renewal of the license.

(viii) In all cases where a renewal may be denied on the basis of a criminal conviction, the Board will hold a public hearing at which all relevant facts and circumstances of the offense may be inquired into, before the Board renders a decision regarding renewal.

(ix~~viii~~) Any licensee who fails to have the renewed license on the licensed premises by opening of business on May 1st may not operate and furthermore may be charged with a violation.

#### (b) Protest of Renewals

~~(i) All protests against the issuance or transfer of any license must be filed either in writing at the office of the Board on or before the time fixed by the notice of hearing or any postponement of such time or in person at the hearing.~~

**Commented [AT73]:** It was agreed that this section of the Rules should be eliminated by the committee as it was redundant.

(i) A protest against the renewal of a license must shall be filed at least 30 days before the license expires on April 30th. All protests must shall be received by the Board before close of business on March 31st and must shall be signed by not less than ten (10) residents, commercial tenants (who are not holders or applicants for any liquor license), or real estate owners in the immediate vicinity where the licensed place of business is located.

**Commented [AT74]:** MBH stated that we should include the number in this section as well as the word "ten." The Committee agreed.

(ii) All protests must shall be based on specific complaints as to the operation of the establishment.

(iii) No protests or withdrawals of protest will be accepted after the close of the hearing.

~~(v) No objection to an affidavit of protest will be accepted by the board after (7) days from the date of the hearing.~~

**Commented [AT75]:** This was eliminated because the rule was unworkable given that once a Board decision was made to revoke the license or reject the protest – an objection was moot.

#### **Rule 2.05 – Corporations**

A license for a corporation shall be issued to three of the officers of such corporation as individuals, for the use of the taxpayer of Baltimore City for at least two (2) years prior to said issuance and shall also have been a resident of Maryland for at least two (2) years prior to said issuance and a registered voter. ## 2.05 Transfer of a License

(a) Holder(s) of a license may transfer ~~51% or more~~ more than 50% of the ownership interest in the licensed premises only if:

With the completed transfer application, the holder(s) ~~must~~shall file a Transfer Affidavit which ~~must~~shall be signed by all current licensees of record.

(2) All state taxes and local taxes owed by the transferor have been paid. (b) In transfers of ownership at the same location, during the hearing the Board shall consider the factors outlined in Article 2B, Section 10-202(a)(2) in making a determination as to whether or not to allow the transfer of the ownership to occur.

(c) A license may be transferred to a location where there is an existing alcoholic beverage license. In such cases, the license presently outstanding at such location may be transferred to new ownership at a new location provided an application is filed with the Board within one hundred eighty (180) days from the date the new license is transferred to the existing location.

(d) Closings for Greater than 90 days: Where the premises have been closed for more than ninety (90) days prior to the date of application for transfer, the Board shall hold a hearing and consider the question of public convenience and accommodation in determining if the establishment can reopen and operate:

(i) In the transfer of any license, regardless of the period of time that the establishment has been closed, where the transfer came about due to creditors' actions or other financial problems, such as transfers to receivers, trustees, secured parties under the Uniform Commercial Code, sheriffs, constables, Internal Revenue Service, Sales Tax Division and the like, the question of public convenience and accommodation shall be determined.

(ii) In any transfer in location of a licensed premise, the question of public convenience and accommodation shall be determined.

(iii) As per Art. 2B § 10-202(e)(2)(iv), a hearing is not necessitated by the

**Commented [AT76]:** a. Stanley Fine recommended to change the language in Section(a) to reflect that it occurs when "more than 50%" of the ownership interest changes in a corporation. The committee agreed with Mr. Fine's recommendation and the change was made.

Board where the closing is caused by fire, casualty, or act of God or when the transfer is due to an action of a creditor

(e) Upon receipt of notice of the Board's approval of a transfer of license the licensee shall obtain all the necessary permits and approvals if any are outlined by Federal, State, City and agencies, including the Board's own requirements, within ~~180~~ 90 days so that the license can be properly issued to the licensee.

(f) All transfers under Article 2B ~~mustshall~~ be completed within the timeframe stipulated under Article 2B, Section 10-503(d)(4), which the Board shall interpret in conjunction with Article 2B, Section 10-504(d) and any other applicable Federal, State, or local statutes.

~~(4) At the hearing, any person to be heard on either side is allowed to be heard on the date of the hearing, even if the applicant is asking for a postponement.~~

**Commented [AT77]:** b. Stanley Fine noted that the time period to obtain approvals was 180 and not 90 days after Board approval. The change was noted and made by BLLC staff in the rules.

**Commented [AT78]:** i. Stanley Fine and MBH requested that the word "Substitute" be replaced with "Amendment" in the title of Rule 2.06(a) and 2.06(a)(5). The committee agreed and the changes were made.

(5) In New Applications/Transfers/~~Substitute Amendments~~-hearings the Board shall consider the factors outlined in Article 2B, Section 10-202(a)(2) in making a determination as to whether or not to allow the action requested from the Board by the applicant.

**Commented [AT79]:** i. Stanley Fine and MBH requested that the word "Substitute" be replaced with "Amendment" in the title of Rule 2.06(a) and 2.06(a)(5). The committee agreed and the changes were made.

(6) The Board, through its designees, shall cause a suitable sign or notice to be posted and to remain posted for a period of at least 10 days in a conspicuous place upon the premises described in the application. The posting shall be done at least 10 days before action upon the application, and the notice also shall specify the loss of license applied for and the time and place fixed by the Board for hearing upon the application.

**Commented [AT80]:** ii. The Committee recommended that the exact language from Art. 2B §10-202(b)(1)(ii) be incorporated into the Rules to inform licensees about the posting requirements. BLLC staff added such information.

(b) Violation Notice and Hearing:

(1) Incident/violation reports concerning licensed establishments are generated through various Federal, State, and local agencies, including reports generated by Board inspectors themselves. Each report generated about each licensed establishment will be reviewed administratively by the board staff to determine if there is an allegation of a violation of the rules, regulations, or laws by licensees.

(2) After conducting a preliminary review of the report, the Bboard staff will prepare charges based on the allegations within the report for the violation of the rules, regulations, or laws governing the sale of alcoholic beverages, which will be served on the licensee and presented to the Board at a public hearing.

**Commented [AT81]:** iii. After a review of Section (b) the committee discovered numerous typos and BLLC Staff was instructed to correct them. They have been corrected.

(3) At least ten (10) days before any hearing shall be had by the Board upon any charge of a violation ~~er~~of the rules, regulations or laws governing the sale of alcoholic beverages, the Board shall cause to be served upon the licensee charged therewith, a summons containing the following information:

The Board will send via certified mail a copy of the charging document to all licensees of record using the address(es) that have been submitted to the Board by the licensee(s). In addition to using certified mail, the Board will have the property posted with a copy of the charging document. The licensee will be deemed properly served when certified and regular mail has been sent and the establishment has been posted.

(b) If it is known by the Board that the establishment has ceased operations due to fire, casualty, or act of God or an action of a creditor, and it is determined that a violation notice is to be served then the Board will not attempt personal service, but will send via certified and regular mail a copy of the charging document to all licensees of record using the address(es) that have been submitted to the Board by the licensee(s).

(56) The Board will maintain an open file policy and ~~the licensee public,~~ licensee, or his/her representative will have access to all of the materials that will be used to support the claims alleged against the licensee before the date of the hearing.

(110) The Board shall have discretion to determine when to impose the suspension or revocation, if the licensee is convicted of the violation and a suspension or revocation is imposed by the Board. If found liable for the violation and a suspension or revocation is issued by the Board, it is left to the Board's discretion to determine when to impose the suspension or revocation. Suspensions of license privileges shall be in consecutive days.

**Commented [AT82]:** iii. . After a review of Section (b) the committee discovered numerous typos and a few numbering issues BLLC Staff was instructed to correct them. They have been corrected. Sections (9) and (11) were reworded to provide clarity.

**Rule 2.07 – Protests Against the Issuance or Transfer of a License.**

(1) **50% Rule** - In Baltimore City if it appears that more than 50 percent in numbers of the owners of real or leasehold property situated within 200 feet of the place of business for which application is made are opposed to the granting of the license, or if more than 50 percent of those owners and tenants in combination of real or leasehold property located within 200 feet of the place of business for which an application for a license is made are opposed to the granting of the license, then the application may not be approved, and the license applied for shall be refused.

**Formatted: Font: Bold**

(2) **Broader Scope Exception** – This rule does apply to an application for a license transfer when the license to be transferred is of a broader scope or more permissive class than the license presently issued for the same premises.

**Formatted: Font: Bold**

(3) **Definitions for Rule 2.07:** a) **“Owners of real or leasehold Property”** includes holders of leasehold improvements upon ground rents, the City of Baltimore and the State of Maryland but excludes the owner of the subject premises. (4) **Instructions to Private Protestants – Owners and Renters:** Should any owner of the dwelling participate as a protestant or proponent of the application, then the owner(s) and the tenant of the dwelling shall each have one-half vote. In case of property rented jointly, if one tenant appears in person at the hearing as a protestant, the other tenant's protest may be recorded by an affidavit. Such affidavit shall include:

is accompanied by a written statement signed by a licensed physician confirming such condition;

Formatted: Font: Bold

(a) All protests against the issuance or transfer of any license must be filed either in writing at the office of the Board on or before the time fixed by the notice of hearing or any postponement of such time or in person at the hearing.

Commented [AT83]: i. . The Committee decided to change the name of the section as the "protests" contained in this section only deal with the Issuance or Transfer of a license. After much discussion, BLLC staff was instructed to rewrite the entire section. In addition, the Committee decided to change the name to "Protests against Issuance or Transfer of a License."

(b) Protests by owners of real estate within 200 feet of the proposed licensed premises filed pursuant to Section 10-202(e) of Article 2B of the Annotated Code of Maryland must state the location of said real estate. For the purpose of this rule the word "owner" shall mean the holder or holders of the full legal title as shown by the land records of Baltimore City. All protestants under this subsection must appear in person at the hearing, provided, however, that the Board shall accept in lieu of personal appearance, an affidavit from such protestant or protestants who in the opinion of the Board have good and sufficient reason for failing to appear at said hearing. Such affidavit shall

(1) State that the protestant is the owner of real or leasehold property situated within two hundred feet of the proposed premises.

(2) Describe said property;

(3) State that the affiant is opposed to the issuance or transfer before the Board; and

~~statement signed by the affiant's employer confirming such fact;~~

~~(III) Absence from the jurisdiction unless the affiant is located more than 50 miles from Baltimore City or is in the military service~~

~~No protests or withdrawals of protest will be accepted after the close of the hearing. No objection to an affidavit of protest will be accepted by the board after (7) days from the date of the hearing.~~

~~Note: See Article 2B, Section 10-202(e) and Section 16-301(b) of the Annotated Code of Maryland for Amendments.~~

~~(c) Protests against the renewal of any expiring license must be filed by not less than ten (10) residents or real estate owners in close proximity to the licensed premises. Such protests must be in writing and filed with the Board during the month of March before the expiration of the license for which renewal is sought.~~

#### **Rule 2.08 – Number of Licenses**

~~— With the exceptions as indicated in this rule, no new alcoholic beverage licenses shall be issued so long as the number of all licensed premises is more than one (1) for each thousand (1,000), or major fraction thereof, of the residents of Baltimore City. The Board shall accept the population statistics prepared by the Baltimore City Health Department. This rule shall not prevent the renewal of licenses outstanding, nor shall it prohibit the transfer of ownership and/or location of any such license.~~

~~(a) Notwithstanding any other provisions of this rule, The Board may issue any of the following types of new licenses:~~

~~(1) Class “B” Beer and Wine and Class “B” Beer, Wine and Liquor licenses wherein:~~

~~(i) There is a minimum capital investment of two hundred thousand dollars (\$200,000) for restaurant facilities which shall not include the cost of land and/or building.~~

~~(ii) Such restaurant must have a minimum table seating capacity of seventy five (75) persons as approved by the Baltimore City Fire department. Seating at bars or counters will not be considered as a part of the seventy five (75) seat requirement.~~

~~(iii) Any license issued under this exception cannot be converted to any different class of license.~~

~~(2) Class “D” Beer and Wine licenses to:~~

~~(i) Public golf courses or zoos operated by the Department of Recreation and Parks of Baltimore City.~~

~~(ii) Such bona fide non-profit organization must have been incorporated for at least five years preceding the filing of the application with the Board or organized under bylaws or governing rules of trust; or to~~

~~(iii) Bona fide non-profit clubs that have been incorporated for at least five years preceding the filing of the application.~~

~~(c) A license may be transferred to a location where there is an existing alcoholic beverage license. In such cases, the license presently outstanding at such location may be transferred to new ownership at a new location provided an application is filed with the Board within one hundred eighty (180) days from the date the new license is transferred to the existing location.~~

~~(d) Any application filed under this rule shall be filed pursuant to the provisions of Article 2B, Section 10-202(a) of the Annotated Code of Maryland requiring the applicant to prove public need and accommodation.~~

#### **Rule 2.087 – Membership Clubs (previously 2.09)**

~~(a)~~ No licensee, except Class "C", may restrict the use of the premises or any part thereof as a membership club without the prior approval of the Board.

#### **Rule 2.098 – Multiple Applications**

~~(a) In the event an application for a new license, increased privileges, or transfer of a location is denied, the applicant shall not be permitted to reapply for the same license, privilege or transfer for a period of six (6) months from the date of such denial. In the event of a withdrawal of such an application prior to decision of the Board this rule shall apply unless the withdrawal occurs more than forty-eight (48) hours prior to the hearing.~~

#### **Rule 2.0109 – Zoning**

**Commented [AT84]:** i. The Committee decided to eliminate this section as it was replaced by an appendix which indicates the types of licenses, costs, and associated privileges.

~~(a) An application is not complete unless until the applicant has obtained zoning approval or verification of zoning from the Board of Municipal Zoning Appeals of Baltimore City the City. It shall be the responsibility of the applicant to provide such verification, if available, at the time of application. If not available at the time of application, it is an ongoing responsibility of the applicant to obtain such verification and provide it to the Board to complete said application.~~

~~if the application is for renewal.~~

~~(b) No license shall be issued which will result in a use of the premises which is in violation of the Zoning Code of the City of Baltimore or other statutory land use restriction.~~

Commented [AT85]: i. The Committee believed that Section(a) lacked clarity and needed to be rewritten. The committee wanted to remove reference to the BMZA and put the onus on the applicant to provide the necessary Zoning information in the application itself.

Formatted: Indent: First line: 0.5"

~~(c) No license shall be issued and no license shall be transferred into premises having a Non-conforming use within an area zoned as Residential. This rule shall not prevent renewal, in ownership, or modification of licenses in such premises nor shall this rule prevent the transfer of a license into such premises in which a license is outstanding~~

Commented [AT86]: ii. Section (b) was revised to indicate that no license should be issued in violation of Zoning Code.

#### Rule 2.110 – Appeals (previously 2.15)

(a) Licensees desiring to appeal from any order shall file with the Clerk of the Circuit Court for Baltimore City an order for appeal and a petition requesting an appeal. The order for appeal ~~must shall~~ be filed within thirty days of the order of the Board and an appeal fee of \$100.00 ~~must shall~~ be paid the Board at the time of filing such petition and order.

(b) The cost of the transcription of testimony (“transcript”) shall be borne by the appellant. Orders for ~~such transcription~~ the transcript shall be placed with the stenographer within five (5) days after the notation of appeal.

Formatted: Indent: First line: 0.5"

~~(c) Upon receipt of the transcript, the Board’s designee, in a timely fashion, shall make four (4) copies of the transcript and disseminate them if the following matter: one (1) copy to be filed with the Circuit Court under the corresponding case number, one (1) copy to be delivered to the Board’s appellate counsel, one (1) copy to be delivered to licensee or his/her attorney or representative that requested the transcript; and one (1) copy to be maintained by the Board for its file.~~

Commented [AT87]: i. Abraham Hurdle discussed an issue with licensees paying the fee to obtain a copy of the transcript on appeal, but not having that transcript delivered to the Circuit Court in a timely fashion. The Committee determined that language should be added to detail the process that the Board shall follow in maintaining and delivering transcripts

#### Rule 2.121 – Inspections

Commented [AT88]: i. The Committee requested that “on official business” be added to the request to perform an official inspection. This language mirrors the language in Rule 3.02 cooperation.

#### Rule 2.13 – Transferring Obligations
