Policy: Below are the basic instructions for completing renewal correspondence and staff acceptance of renewal applications (**Attachment A1 and A2** outlines the work flow process):

- (1) **Renewal Application Revisions/Review:** BLLC Staff shall complete a review of the Renewal Application form by December 31 of each year. - (2) **Holds and Tax Liens:** All tax liens and notices will be entered to the liquor board database and letters will be sent to licensees noting that holds must be released before renewal. A copy of the licensee list will be sent to the City Law Department by January 31st of each year. These tasks will be completed by administrative staff.
- (3) **Zoning Check for Renewals:** By January 31st of each year the previous year’s licensee list will be sent to Zoning (either written or electronic communications) requesting that the Zoning Administrator review the zoning status and use for each license to verify that each use comports with the Zoning Code of Baltimore City. (e) **Zoning:** Applicants have applied for a USE permit, for the use of all 3 floors as a bar and restaurant with live entertainment and outdoor table service in rear courtyard.

(f) **Corporate Standing:** Sangria, LLC is a MD LLC and as of 12/30/2016 is active and in good standing.

(g) **Posting Report:** The location was posted on 12/13/2016 and checked on 12/23/2016. This meets the 10-day rule. There are 23 licensed liquor establishments in the 4x4 area: "B" BWL-15; "A" BWL-2; "C" BWL-3; and "BD7" BWL-3.

(h) **Timeline:** On May 4, 2016 applicant Lindsey Stander made application to transfer the license into here name under a new company. On June 7, 2016 the BLLC conducted an inspection of this location and found it to be open and operating. On June 30, 2016, the Board approved the transfer of this license to Ms. Stander. On July 15, 2016 the establishment ceased operations. As of that time the transfer to Ms. Stander had not yet been completed. On November 4, 2016 the current applicant made application to transfer the license. On November 14, 2016 Ms. Stander withdrew her application for transfer. Due to the fact that an application to transfer ownership was filed while a post-approved application for transfer was pending the 180 day expiration clock never started and was tolled due to Ms. Stander's pending application. Accordingly, the license is valid and can transfer.

(i) **Letters of Support/Opposition:** At this time the Board has no letters of support or opposition.

In considering this request, under the provisions of Alcohol Beverage Article 4-210(A) the Board must consider the following factors: 1. The public need and desire for the license; 2. The number and location of existing license holders; 3. The potential effect on existing license holders of the license for which application is made; 4. The potential commonality or uniqueness of the services and products to be offered by the business of the applicant; 5. The impact of the license for which application is made on the health, safety, and welfare of the community, including issues relating to crime, traffic conditions, parking, or convenience; and 6. Any other factor that the local licensing Board considers necessary

[Licensee Information]

Re: Personal Property Tax Owed to the City of Baltimore

Dear Licensee(s),

A review conducted in September of 2017 of the Department of Finance's records indicated that **[enter corporation and trade name]** located at **[enter address here]** currently owes outstanding personal property taxes to the City of Baltimore.

As per Alc. Bev. Art. §12-2103, each licensee must present to the Board of Liquor License Commissioners for Baltimore City (BLLC) a "certificate issued by the Director of Finance" showing that there are no unpaid personal property taxes owed to the City of Baltimore by June 30th of every year. Failure to provide proof of payment could lead to the automatic suspension of a licensee's alcoholic beverages license.

As such, let this letter serve as notice that if you do not provide documented proof (letter from the Department of Finance, receipt, etc.) that your outstanding personal property tax balance owed to the City of Baltimore has been paid in full or you are on a City sanctioned payment plan by November 13, 2017, your privilege to sell alcoholic beverages in the City of Baltimore shall automatically be suspended. Attached, please find a copy of your outstanding tax liability owed to the City of Baltimore as determined by the Baltimore City Law Department.

If you have any questions or concerns regarding your outstanding tax liability please contact Ms. Mary Keenan, Chief of Collections for the Baltimore City Law Department, at 410-396-3968. In addition, if you have any further questions about how your tax liability affects your liquor licensure, please call me at 410-396-4377.

Sincerely,

Thomas R. Akras
Deputy Executive Secretary
