New Terra Café, LLC, t/a New Terra Café                      License # LB 083 (2019)

**Attorney for Applicant: Robert Fulton Dashiell**

**Alleged violation of Rule 3.12 (General Welfare) when at approximately 10:44 p.m. on May 3, 2021 members of the BLLC received a 311 complaint for the establishment regarding live music after 10 p.m. on a weeknight for two consecutive weeks. At approximately 11:15 p.m., the inspectors arrived at the establishment to conduct an investigation. Upon arrival, the inspectors could hear music at an extremely loud volume while standing outside of the establishment. The inspectors also observed patrons exiting the establishment through an alleyway on the St. Paul side of the establishment. Upon further investigation, the inspectors discovered the back-patio area belonging to the establishment was open and had live jazz music playing. The inspectors contacted the licensee about the volume of the music and the licensee stated that it was the band’s last song, which is usually louder and longer for jazz bands, and the set was about to conclude. The inspectors requested the license, and the licensee stated that they did not know where the license was upstairs, so the licensee was instructed to contact the BLLC the next day and a violation was being issued for the loud music. Upon review of the license, it was determined that the licensee has live entertainment, but only on the second floor, not the outside patio where the jazz band was performing.**
