**Alleged violation of Rule 4.16 (Illegal Conduct) when at approximately 1:08 a.m. on May 31, 2020 members of the BLLC responded to the establishment to a 311 complaint for loud music at an establishment nearby and they conducted their establishment and found the complaint unfounded. At approximately 1:35 a.m., an inspector knocked on the door of the establishment and upon entering the establishment, a woman who appeared to be highly intoxicated exited the establishment and fell down the stairs. The inspectors observed at least six or more patrons being rushed out a door on the opposite side of the bar while the bar area was covered with beer bottle, half-empty drinks, and empty bottles of alcohol, along with a trash can overflowing with bottles and empty cups. When the inspectors spoke to the property owner, they became very unruly with the inspectors, raising their voice, yelling expletives, telling the inspectors to leave the premises, all while not practicing social distancing nor wearing a mask. The Governor’s Executive Order prohibits patrons to consume anything on-premises for any reason.**
