- Note: Beginning in early to mid March 2020, the Covid-19 Emergency interrupted regular operations. In person meetings were canceled, and in the following months the Community Liaison adapted to attending virtual meetings when possible and if scheduled. The Liaison has continued monthly correspondence with community leaders by phone, email, and attended virtual meetings when possible, in a continued attempt to educate the public on BLLC's operations and activities during the Covid-19 emergency, and to continue to respond to community complaints and concerns.
