Year End Summary– FY2020 – July 1, 2019 to June 30, 2020

Matt Achhammer – Community Liaison

# 82 Associations Visited

- Note: Beginning in early to mid March 2020, the COVID-19 pandemic interrupted regular operations. In person meetings were canceled, and in the following months the Community Liaison adapted to attending virtual meetings when possible and if scheduled, though many associations have not had in person meetings at all. The Liaison has continued monthly correspondence with community leaders by phone, email, and attended virtual meetings when possible, in a continued attempt to inform the public on BLLC's operations and activities during the COVID-19 pandemic, and to continue to respond to community complaints and concerns.
