*Answer: The renewal period for 2022-2023 begins March 1, 2022 – March 31, 2022. All applications are due by March 31, 2022. *Answer: A completed and notarized 2022 application, a check and/or money order made payable to the “**DIRECTOR OF FINANCE**” for application processing fee of \$50.00. ** Note that in the 46th Legislative District Class “B” Beer, Wine, and Liquor Restaurant Food form needs to be completed, certified by your accountant, and submitted before the BLLC will issue your 2022-2023 license. **

4. Can I request that my mail be sent to alternate address?

Answer: As part of the renewal application there is a space to add a mailing address vs. the licensed location. The BLLC has also added fields for emails and alternative phone numbers.

5. How do I request a waiver/reduction of late fees?

Answer: All requests for a waiver/reduction of late fees must be made via submission of the Late Fee Waiver Request Form. A copy of the form shall be provided by staff upon request. Upon receipt, the Chairman or his or her designee shall review the request and make a determination if a waiver/reduction of late fees should be applied. If granted, BLLC staff shall contact licensee(s) to ensure that payment is properly processed.

6. Does a “Sales Tax Hold” or failure to maintain “Good Standing” of my business, or outstanding fines/fees other obligations to the BLLC delay my license renewal?

Answer: Yes, these items can delay the issuance of your license. If you have been notified that there is a sales tax hold on your license by the State Comptroller’s office, that the charter of your Limited Liability Company or corporation is not in good standing, or if you have outstanding obligations to this agency, or an obligation with the Director of Finance for the City of Baltimore, your 2022-2023 renewal license will not be released until these issues are resolved.
