Violation Reporting Facts:

On October 6, 2020 at approximately 10:30pm, I (Inspector Robinson) and Inspector Tudhope responded to complaint number 20-00686651 received for Carolina's Tex Mex located on 500 S. Wolfe St. The complaint was received at 10:00pm. Upon arrival Inspector Tudhope and I sat observed the establishment for about 10 minutes. The music was determined to be loud and we went inside to the second floor. Once we got upstairs we noticed a drag show taking place. We then informed the bartender about the noise complaint and went to check the liquor license for live entertainment. The establishment did not have live entertainment on the license. The bartender was informed about this and was advised that drag shows are considered to be live entertainment. We also informed the bartender that a violation was going to be written for both the noise and the drag show. The bartender turned off the music and asked the performers to leave.

Violation of Rule 4.16 Illegal Conduct – December 18, 2020 – At approximately 9:45 PM, the Social Club Task Force, which consisted of members of the Baltimore City Police Department, Fire Department, Health Department, Department of Housing and Community Development, and the BLLC responded to the location to determine if the establishment was operating in violation of Mayor Brandon Scott's Executive Order issued December 11, 2020, which prohibited any on-premises consumption of alcoholic beverages. Upon arrival, Inspector Cindy Tudhope and Det. L.C. Greenhill proceeded up the rear exterior staircase to the third floor of the establishment. Upon reaching the rear entrance on the third floor, Inspector Tudhope peered into a window and observed a large crowd of individuals inside of the establishment. Upon entering the establishment, Inspector Tudhope observed individuals seated at the bar area consuming alcoholic beverages. Inspector Tudhope also observed that few patrons were wearing masks within the establishment. Members of the Social Club Task Force contacted the manager Mr. Brian Dennis and license Mr. David Tobash, both of whom were on the premises. At that time, BLLC Inspector Tudhope informed Mr. Tobash and Mr. Dennis that the establishment was in violation of Mayor Scott's Executive Order and instructed them to clear the establishment of patrons. Inspector Tudhope counted 18 patrons exiting the establishment while it was being cleared. After the establishment was cleared, the BLLC issued a violation and left the establishment.

Violation of Rule 4.16 Illegal Conduct – August 15, 2020 – At approximately 11:15 PM, Baltimore City Liquor Board Agent Andy Perez, Agent Terri Chase, Darryl Clark and Inspector Walter Robinson responded to two (2) 311 calls for service (#20-00546854 and #20-00546853) regarding loud music emanating from the establishment. Upon arrival at the establishment, BLLC inspectors could hear unreasonably loud music emanating from the establishment as they approached. At the front of the establishment inspectors observed a tent set up with tables and chairs placed on the curb directly in front of the establishment, thus allowing for alcoholic beverage service to be provided to patrons. At the time of this observation, the establishment lacked the required liquor board permit to provide temporary outdoor table service. Inspectors also observed tables distanced less than six feet apart and some tables with over six individuals seated at them. Lastly, BLLC inspectors observed three (3) individuals seated at the bar consuming alcoholic beverages in violation of Mayor Bernard C. "Jack" Young's Executive Order issued August 7, 2020. After making these observations, Agent Perez contacted the licensee Jascon Munoz who was on the premises. Agent Perez informed Mr. Munoz of the violations. Mr. Munoz was issued a violation and inspectors left the scene.

Violation Reporting Facts:

On November 22, 2020 at approx. 18:50 I Chief Chrissomallis received a call from SE District Supervisor advising me that patrol feels that the establishment located at 422 South Macon Street known as El Rincon might be in violation of the Governor's Executive Order. I at that time called Inspector Tudhope and Agent Han and had them respond to the location. I also responded to the location and observed a full parking lot. When I entered the location there was a large number of people some sitting at tables others standing and drinking, few staff members had masks on and a few customers the majority only put masks on when they saw me inside. Once inside I observed a DJ and people dancing and playing pool which I had explained to the owner multiple times in the past was not allowed during this Executive Order. I made contact with the owner and told him he is grossly over capacity which during the order is only 22 customers. At that time, he stated he didn't think he was over and I advised him he is probably at 100 people. BPD Police also arrived at the location and the owner was instructed to close for the night due to public health and safety. I counted 82 patrons exit the location and a few were let out from a back door when the owner saw me counting. I informed him that I counted 82 people and he stated "see you lied, you said there was 100 inside". I explained to him that 82 was grossly over the allowed amount of 22. We left the location without any further incident.

MAYORAL EXECUTIVE ORDER
PARTIAL REOPENING PURSUANT TO PHASE TWO

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by the Governor of Maryland on March 5, 2020 to control and prevent the spread of COVID-19 within the state, and the state of emergency and the catastrophic health emergency still exist;

WHEREAS, the Mayor of Baltimore City has declared a State of Emergency for Baltimore City due to the spread of COVID-19, which is still in place;

WHEREAS, COVID-19 is an infectious and contagious respiratory disease that continues to pose serious health risks for the citizens of Baltimore City, particularly elderly residents and those who are immunosuppressed or otherwise have high-risk medical conditions;

WHEREAS, the effects of COVID-19 require that local officials be vigilant in advising the citizens of measures they can take to protect health, safety and welfare;

WHEREAS, the Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19;

WHEREAS, to protect lives and reduce transmission of the novel coronavirus in Baltimore City, it is necessary for individuals to maintain safe distances from each other;

WHEREAS, the latest scientific research and expert guidance support limitations on large gatherings and the use of social distancing practices as a successful method to prevent exposures and transmissions and reduce the threat of COVID-19 to all citizens but are especially important to protect vulnerable populations;

WHEREAS, evidence also suggests that dining establishments and bars are particularly high-risk environments for transmission. Some studies indicate that the single most effective orders for slowing transmission are social distancing orders related to restaurant and bar operations.

WHEREAS, it is vital to reduce the threat of this illness in the community and it is, therefore, necessary and reasonable to set strict limits on congregating;

WHEREAS, the State has implemented measures to reduce community transmission rates of COVID-19, while strategically activating the Maryland Strong: Roadmap to Recovery plan;

WHEREAS, the City is expanding COVID-19 testing, implementing contact tracing, and monitoring hospitalizations; and procuring additional protective equipment;

WHEREAS, on June 29, 2020, the Mayor issued an Executive Order allowing outdoor events of more than 10 people subject to a limit of 50% of the maximum capacity of the venue and the use of facial coverings and proper social distancing.

WHEREAS, on June 10, 2020, Governor Hogan again authorized local governments to relax certain restrictions on activities and businesses in the State including limited indoor dining and bar activity;

WHEREAS, on June 22, 2020, the Mayor issued an Executive Order authorizing serving beverages and food to customers for consumption in indoor seating areas and on July 22, 2020, due to indications of an increase in cases in the City, the Mayor rescinded the June 22 Mayoral Order as it applied to indoor dining and congregating in an attempt to prevent further transmission of COVID -19;

WHEREAS, on August 5, 2020, the Mayor issued a Mayoral Executive Order partially reopening restaurants and bars for indoor and outdoor dining and gatherings which was to go into effect at 5p.m. on Friday August 7, 2020;

WHEREAS, the August 5 order is hereby rescinded and replaced by this Mayoral Executive Order Partially Reopening Restaurants and Bars for Dining and Restricting Gatherings;

WHEREAS, in order to lessen the economic impact of restaurant and bar closures but still slow any further spread of COVID19, limited opening of indoor food and beverage service at restaurants and bars and limitations on congregating in groups are being imposed;

WHEREAS, Order No. 20-06-10-01 authorizes political subdivisions such as Baltimore City to issue local orders that are more restrictive than Order No. 20-06-10-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-1.

WHEREAS, the Mayor of Baltimore City has consulted with public health experts and has concluded that the City can safely lift certain restrictions subject to criteria set by public health experts.
