Violation of Rule 4.16 Illegal Conduct – April 17, 2021 – On March 17, 2021, Board of Liquor License Commissioners (BLLC) of Baltimore City Inspector Cindy Tudhope along with BLLC Inspector Rosalba Jordan were patrolling the Fells Point area. Inspector Tudhope noticed there was a large number of people outside of the establishment awaiting entry to the premises. Upon entering the establishment, Inspector Tudhope observed a large number of people standing closely together not observing social distancing or wearing masks. Inspector Tudhope further determined that there were approximately 80 people inside and that the establishment was over the 25% maximum indoor capacity set forth by Mayor Brandon M. Scott's Executive Order effective March 12, 2021. Inspector Tudhope and Inspector Jordan contacted the owner and licensee, Anthony Cushing, and made him aware that the establishment was in violation of the Mayor's Executive Order. Mr. Cushing stated that his basement was flooding and that his door person was dealing with that issue and as a result, no one was restricting members of the public from entering the establishment. Inspector Tudhope and Inspector Jordan issued Mr. Cushing a written warning for being over capacity, for people dancing unmasked and for people not being seated while consuming alcohol, all of which were prohibited of the Mayor's Executive Order. Mr. Cushing immediately reduced the number of people to come into compliance with the capacity restrictions of the Mayor's Executive Order.

On April 17, 2021, at approximately 9:32PM, 311 compliant #21-00283748 was received by the BLLC. BLLC Inspector Cindy Tudhope along with BLLC Agent Steven Han responded to the incident location identified in this 311 compliant, which was the establishment. Upon arrival, Inspector Tudhope entered the establishment and counted over 75 people in the front room of the establishment. Inspector Tudhope then proceeded to the back room and counted approximately 15 additional patrons. Inspector Tudhope further proceeded to the back deck area and observed 11 additional persons. All throughout, Inspector Tudhope observed no social distancing being practiced, individuals not wearing masks, and drinking alcohol while not being seated—all of which were violations of Mayor Brandon M. Scott's Executive Order effective March 26, 2021. Inspector Tudhope contacted the owner and licensee, Anthony Cushing, and made him aware the establishment was over the 50% maximum indoor capacity of 55 persons as permitted by Mayor Scott's Executive Order, as well as the other activities mentioned above that were also not permitted by the Mayor's order. Inspector Tudhope informed Mr. Cushing that he would be receiving a violation for these infractions. Mr. Cushing immediately instructed his doorman to bring the establishment into compliance with the capacity restrictions. Inspector Tudhope and Agent Han left the establishment without further incident.

BLLC Agent Andy Perez and Inspector Rosalba Jordan responded to the complaint and arrived at the establishment at approximately 11:50pm. Upon entry, Agent Perez observed that the bar was heavily crowded, that patrons were consuming alcoholic drinks—unseated—while dancing to music being played by the live band, and that social distancing was not being practiced, all of which were in violation of the Mayor's Executive Order in effect at that time. Agent Perez asked the door man what the permitted capacity of the establishment was under the order, and the door man responded, "65." At this time, Agent Perez began counting the number of individuals inside the establishment. As Agent Perez proceeded to the rear of the establishment, Agent Perez observed a door man rushing patrons of the establishment out the rear door, which Agent Perez observed to be approximately 20 individuals. Upon further investigation, Agent Perez determined that there were approximately 80 individuals indoor at the establishment at the time BLLC inspectors arrived initially. Furthermore, Agent Perez determined that the 50% maximum capacity permitted by the Mayor's Executive Order only permitted 55 individuals to be inside the establishment. Agent Perez contacted owner and licensee, Anthony Cushing, and explained the aforementioned violations of the Mayor's Executive Order that he had observed. Mr. Cushing, who was present and in full operational control of the establishment, was instructed to bring his maximum capacity down to 55 individuals as permitted by the Mayor's Executive Order. Mr. Cushing immediately complied and BLLC staff departed the establishment at approximately 12:20am with no further incident.

As a result of his observations, Agent Perez identified the night manager, Ms. Mayra Bernal and made her aware of the 311 compliant and the violations he had observed. While speaking to Ms. Bernal, Agent Perez was approached by an unidentified white male who apologized for the loud music and explained to Agent Perez that he had rented a portion of the establishment to host a birthday party. This same unidentified individual further stated that he had brought in the DJ to play music and was unaware that the establishment did not have live entertainment privileges associated with its liquor license. Agent Perez explained to all persons present that it was the responsibility of the licensed establishment and its management to abide by the rules and regulations and not the responsibility of the unidentified individual. Agent Perez further explained that Mayor Brandon M. Scott's Executive Order, effective March 12, 2021, did not permit patrons inside the establishment from consuming food or beverages or enjoying live entertainment unless they were seated in their seats. At this time, the DJ ceased playing music and the establishment's management instructed the patrons who were drinking while standing to go back to their tables.

Violation of Rule 3.12 General Welfare – March 19, 2021 – On March 19, 2021, at approximately 10:21pm, 311 compliant #21-00208137 was received by the BLLC. At approximately 10:45pm, BLLC Agent Andy Perez along with BLLC Agent Steven Han responded to the incident location identified in this 311 compliant, which was for loud music coming from the establishment. Upon arrival, Agent Perez could hear loud music emanating from the second floor bar, which he was able to hear from across the street at the northwest (NW) corner of the intersection of South Wolfe Street and Eastern Avenue. After making this observation, Agent Perez proceeded to enter the interior of the second floor bar via a stair door located on the Eastern Avenue side of the establishment. Once inside, Agent Perez observed approximately three (3) unmasked individuals, standing and playing pool at the pool table while consuming alcoholic beverages—and not seated in their seats or at the bar—to his right. Agent Perez further observed to his left a disc jockey (DJ) table set up including turntables, mixers and amplified speakers from which the music that caused the disturbance outside the establishment. Agent Perez further observed a group of approximately eight (8) individuals dancing to the music that was being played, and not in seats of any kind. As a result of his observations, Agent Perez identified the night manager, Ms. Mayra Bernal and made her aware of the 311 compliant and the violations he had observed. While speaking to Ms. Bernal, Agent Perez was approached by an unidentified white male who apologized for the loud music and explained to Agent Perez that he had rented a portion of the establishment to host a birthday party. This same unidentified individual further stated that he had brought in the DJ to play music and was unaware that the establishment did not have live entertainment privileges associated with its liquor license. Agent Perez explained to all persons present that it was the responsibility of the licensed establishment and its management to abide by the rules and regulations and not the responsibility of the unidentified individual. Agent Perez further explained that Mayor Brandon M. Scott's Executive Order, effective March 12, 2021, did not permit patrons inside the establishment from consuming food or beverages or enjoying live entertainment unless they were seated in their seats. At this time, the DJ ceased playing music and the establishment's management instructed the patrons who were drinking while standing to go back to their tables.

- a. Mayor Scott's Executive Order dated March 12, 2021 authorizes⁸ that you may sell for carry out or delivery to customers provided that the separate packaged goods section never exceeds 25% maximum capacity.

7. My license includes a live entertainment privilege, am I allowed to provide live entertainment?

Answer: Yes, with certain restrictions.

- a. If your current license allows for live entertainment*, it is now allowed with certain restrictions:
 - i. All performers must wear a mask.
 - ii. Patrons must remain seated at all times for the duration of the performance
 - iii. Performers, patrons, and employees must adhere to social distancing requirements with all other performers, patrons, and employees at all times

If the live performance requires a specific activity that requires the removal of or modification to a mask, that activity is prohibited

- b. REMEMBER: you are still required to abide by all the restrictions in Question 3 above.

8. I hold an adult entertainment license, am I allowed to be open and provide adult live entertainment?

Answer: Yes, with certain restrictions.

- a. If you hold an adult entertainment license, live adult entertainment is now allowed with certain restrictions:
 - i. All performers must wear a mask.
 - ii. Patrons must remain seated at all times for the duration of the performance
 - iii. Performers, patrons, and employees must adhere to social distancing requirements with all other performers, patrons, and employees at all times

If the live adult entertainment performance requires a specific activity that requires the removal of or modification to a mask, that activity is prohibited

- b. REMEMBER: you are still required to abide by all the restrictions in Question 3 above.

9. What does Maximum Occupancy mean again?

Answer: See below.

- a. The Maximum Occupancy means the maximum occupancy load of the facility under the applicable fire code, as set forth on a certificate issued for the facility by a local fire code official. If no such certificate has been issued for the facility by the local fire code official, the maximum occupancy of the facility will be set pursuant to applicable laws, regulations, and permits.

REMEMBER: the fire marshal capacity means each person on the premises, including but not limited to: patrons, owners, managers, employees, delivery drivers, etc.

10. May I provide alcoholic beverages in sealed containers for delivery or carryout for consumption off-premises?

Answer: Yes.

⁸ See <https://mayor.baltimorecity.gov/sites/default/files/Executive%20Order%20-%20Signed%20and%20Sealed%203-12-2021.pdf> at pg. 4, Paragraph IV.C.

- a. Governor Hogan's Executive Order No. 20-05-29-01⁹, dated May 29, 2020, remains in effect and permits such activity to occur, provided you are complying with all other legal requirements applicable to your liquor license.

11. St. Patrick's Day celebrations start this weekend, can we do a Pub Crawl/Tour in conjunction with other licensed establishments in Baltimore City?

Answer:

Absolutely not. Pub Crawls/Tours remain prohibited within the City under the Mayor's current Executive Order. The Baltimore City Department of Transportation (DOT) has not issued any Special Event Permits, nor has the BLLC issued any pub crawl/tour licenses in calendar year 2021.

*****If you see a pub crawl/tour advertised, please contact the Liquor Board to investigate. Members of the public should be aware that if you are paying money for a pub crawl/tour registration for St. Patrick's Day 2021, it may very well be a scam.*****

Reminder:

As a final reminder, you may see other agencies such as the Baltimore Police Department (BPD) or DOT close streets or parts of streets for public safety reasons. If you see such actions occur, it **does not mean** that the BLLC has licensed any related activity, as we have not.

12. Will the BLLC be conducting heightened enforcement around Saint Patrick's Day celebrations during the upcoming days of and around the holiday?

Answer:

Yes. The BLLC Inspection Division, Executive Division, and Community Liaison will be present in the historically popular St. Patrick's Day areas—including Federal Hill, Fell's Point, and Canton—during the weekends prior to and after St. Patrick's Day. Members of the public and licensees can expect a heavier than usual monitoring presence on Saturday March 13th and Sunday March 14th, on St. Patrick's Day itself, Wednesday March 17th, and on Saturday March 20th and Sunday March 21st.

13. A BLLC Liquor License Inspector has entered my establishment, what must I do?

For licensees, the BLLC asks that you please prepare to be inspected and consider the following:

- Licensees **must** operate under the restrictions outlined in the Mayor's Executive Order. BLLC Guidance can be found on our website, here: <https://llb.baltimorecity.gov/bllc-covid-19-updates>.
- Any security personnel should have clickers for counting patrons both entering and exiting, to ensure proper capacity.

In order to facilitate an easy inspection process, licensees should make readily available the following:

- COVID19 sign-in sheets
- Liquor License and other related government permits: Fire, Health, Trader's License, etc.
- Access to the entirety of your licensed premises.

If you have any other questions regarding this matter, please contact General Counsel at the Baltimore City Department of Health, Ms. Kathleen Smith at Kathleeng.Smith@baltimorecity.gov.
