Violation Reporting Facts:

On May 1, 2020 your writer along Inspector Tudhope were conducting random business checks throughout the City of Baltimore. The purpose of the business checks was to ensure that all businesses comply with the Governor's executive order instructing all Restaurants and bars to close for all on premise consumption and socializing. Restaurants and Bars can be open only for delivery and carryout services. at approximately 9:50PM your writer and Inspector Tudhope began to make observation of the aforementioned establishment due to a large amount of cars parked on the parking lot adjacent to this establishment and also a high flow of customers entering and exiting the establishment. At approximately 10:00PM your writer along Inspector Tudhope attempted to make entry to the establishment. However, the main entry door was locked. Your writer observed approximately eight (8) patrons waiting to enter the establishment to pick up their food/drinks orders. After several moments a male employee of the establishment came to unlocked the door. I identified myself as a Liquor Board agent and proceeded to the interior of the establishment. Once inside the establishment your writer observed approximately fourteen (14) patrons, some of which were observed consuming what appeared alcoholic mixed drinks out of clear plastic cups with lids and straws at the bar area. After further investigation, your writer observed two (2) female patrons seated at one of the tables in the dining room area consuming foods and drinks out of carryout containers. Furthermore, one (1) patron was observed seated at a different table consuming what appeared to be an alcoholic beverage out of a clear plastic cup. After making this observation, we identified the manager/licensee Angela Price and informed her of the violation. Your writer advised Miss Price that she can only be open for carryout and delivery only. At that time the investigation was completed and the establishment was left in control of Miss Price.

On 25 June 20 at 0110hrs(1:10am), your writer of ACS-Vice responded out to 408 East Baltimore Street, which is identified as "Club Lust" for a complaint of overcrowding. On 19 June 20, the City of Baltimore re-opened the bars and nightclubs to include the Adult Entertainment Nightclubs and they all have to adhere and follow a set of Executive Orders that Mayor Jack Young issued on the 19 June 2020. One(1) of the criteria's indicate that all liquor establishments must maintain and allow only 50% capacity of their establishment. Since then your writer has been ensuring that all liquor establishments maintain their 50% capacity based on each establishments' Fire permit official capacity. On 22 June 20, your writer spoke with the licensee Nathaniel Alton Brown Jr. and advised him that he has to maintain a 50% capacity at the establishment known as "Club Lust", which means he must maintain a capacity of 43 person(s) on both his 1st and 2nd floors. The current capacity on both of the clubs 1st and 2nd floors is 87. On 25 June 20, your writer did a capacity check of "Club Lust" and found the licensee's 2nd floor to be over capacity by 50(+) persons. At that point, I advised the licensee to have his security personnel allow no more customers inside the club. The licensee agreed to not allow anymore customers inside the establishment. At that time the investigation was complete and the establishment was left in the control of licensee, Mister Brown.

Report to be forwarded to the Liquor Board for further administrated review.

On 12 July 20 at 0100hrs(1:00am), your writer of ACS-Vice responded out to 408 East Baltimore Street, which is identified as club "Lust" for a complaint of overcrowding at the request of Central District Officers. On 19 June 20, the City of Baltimore re-opened the bars and nightclubs to include the Adult Entertainment Nightclubs and they all have to adhere and follow a set of Executive Orders that Mayor Jack Young issued on the 19 June 2020. One(1) of the criteria's indicate that all liquor establishments must maintain and allow only 50% capacity of their establishment. The current capacity on both of the clubs 1st and 2nd floors is 87. On 12 July 20, your writer did a capacity check of club "Lust" and found the licensee's 2nd floor to be over capacity by 80(+) persons. The licensee along with his security staff also stated they had between 36 to 40 girls(contractors, dancers) working. This new information concerning the amount of dancers working, now adds to the capacity of the establishment. At 1:15am, your writer advised the licensee not let anyone else inside the club. Furthermore your writer advised the licensee Mister Brown to close at 0130hrs. The licensee agreed to not allow anymore customers inside the establishment, and by 0130hrs the establishment known as club "Lust" was closing, clearing everyone out the club. At that time the investigation was complete and the establishment was left in the control of licensee, Mister Brown.

Further investigation, Mister Brown advised your writer that he had some remodeling work done to the 2nd floor during the closure of all establishments as a result of the Covid-19 pandemic, which could possibly add to his capacity of the 2nd floor. With this new information, your writer will contact Investigators from Housing, as well as Inspectors from the Fire Marshall's office for an updated inspection of the 2nd floor at club "Lust"

Report to be forwarded to the Liquor Board for further administrated review.
