**MAYORAL EXECUTIVE ORDER
PARTIALLY REOPENING RESTAURANTS AND BARS FOR INDOOR DINING AND
RESTRICTING GATHERINGS**

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by the Governor of Maryland on March 5, 2020, and was most recently renewed on July 1, 2020 to control and prevent the spread of COVID-19 within the state, and the state of emergency and the catastrophic health emergency still exist;

WHEREAS, the Mayor of Baltimore City has declared a State of Emergency for Baltimore City due to the spread of COVID-19, which is still in place;

WHEREAS, the effects of COVID-19 require that local officials be vigilant in advising the citizens of measures they can take to protect health, safety and welfare;

WHEREAS, COVID-19 continues to pose serious health risks for the citizens of Baltimore City, particularly elderly residents and those who are immunosuppressed or otherwise have high-risk medical conditions;

WHEREAS, the Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19;

WHEREAS, to protect lives and reduce transmission of the COVID19 in Baltimore City, it is necessary for individuals to maintain safe distances from each other;

WHEREAS, although there are now measures in place such as personal protection equipment and sanitation protocols to reduce community transmission, there are indications that the number of COVID-19 cases in Baltimore City is increasing

WHEREAS, evidence suggests that dining establishments and bars are particularly high risk environments for COVID19 transmission. Some studies have indicated the single most effective orders for slowing transmission are social distancing orders related to bar and restaurant operations.

WHEREAS, the latest scientific research and expert guidance support limitations on large gatherings and the use of social distancing practices as a successful method to prevent exposures and transmissions and reduce the threat of COVID-19 to all citizens but are especially important to protect vulnerable populations;

WHEREAS, it is vital to reduce the threat of this illness in the community and it is, therefore, necessary and reasonable to set strict limits on congregating;

WHEREAS, on June 29, 2020, the Mayor issued an Executive Order allowing outdoor events of more than 10 people subject to a limit of 50% of the maximum capacity of the venue and the use of facial coverings and proper social distancing.

WHEREAS, on June 10, 2020, Governor Hogan again authorized local governments to relax certain restrictions on activities and businesses in the State including limited indoor dining and bar activity;

WHEREAS, on June 22, 2020, the Mayor issued an Executive Order authorizing serving beverages and food to customers for consumption in indoor seating areas and on July 22, 2020, due to indications of an increase in cases in the City, the Mayor rescinded the June 22 Mayoral Order as it applied to indoor dining and congregating in an attempt to prevent further transmission of COVID -19;

WHEREAS, on August 5, 2020, the Mayor issued a Mayoral Executive Order partially reopening restaurants and bars for indoor and outdoor dining and gatherings which was to go into effect at 5p.m. on Friday August 7, 2020;

WHEREAS the August 5 order is hereby rescinded and replaced by this Mayoral Executive Order Partially Reopening Restaurants and Bars for Dining and Restricting Gatherings;

WHEREAS, in order to lessen the economic impact of restaurant and bar closures but still slow any further spread of COVID19, limited opening of indoor food and beverage service at restaurants and bars and limitations on congregating in groups are being imposed;

WHEREAS, Order No. 20-06-10-01 authorizes political subdivisions such as Baltimore City to issue local orders that are more restrictive than Order No. 20-06-10-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-1.

Violation Reporting Facts:

On August 16, 2020 at approximately 11:30 PM, I (Agent Chase) and Agent Clark responded to a 311 compliant #20-00548101, for loud music and concerns about the Covid-19 executive order. The compliant was located at 3927 E. Lombard St. trading as My Cousin's Place. When we arrived at the establishment we observed people inside standing at the bar area. Agent Clark and I proceeded to the rear patio area and saw that it was overcrowded, the music was extremely loud, and many patrons were not seated. At this time, we identified the person in control as Noe Norio and informed him of the complaint. We made him aware that he would receive a violation because of the Mayor's order which prohibited indoor dining after 10:00 PM within Baltimore City. While we were talking to Mr. Norio we observed several patrons walk outside from the bar area to the patio with drinks. He stated that everyone inside were employees and the other people were using the restroom and getting drinks. Agent Clark and I explained to Mr. Norio that outdoor table service requires that servers and/or bar tenders must serve seated patrons and that no one expect employees and patrons using the restroom are allowed to be in the establishment after 10:00 PM. We instructed Mr. Norio to remove any patron that was not seated at a table and to turn the music down. We gave Mr. Norio his violation and departed without any further incident.

Description: There is no front door at this place is address. I am getting sick and tired of reporting the noise and the music until 2 a.m. I can hear it around the corner on my street with my air conditioner on then it's too loud. And the music is so loud that I can't sleep. The last time I reported this it got back to me saying that an inspector checked it out and it's not too loud. When will someone around here have any respect for everyone else around here. This is not a large neighborhood but which the people who live here need to have respect for the elderly across the street and for everyone else around here. This is not a large neighborhood but which the people who live here need to have respect for the elderly across the street and for everyone else around here. We are residents of this area and are going through enough with coronavirus and all the violence. Why must we put up with all this? I did contact someone and they got back to me about a meeting that could happen sometime soon, but no one's gotten back to me yet. There are many people that don't like it but they're too afraid to complain. And Rancho Blanco is another place. They put no labels out there on the side of their bar, claiming it's a restaurant which I can't believe. They take up so much front that people who want to walk on the sidewalk can barely get through. But I'm not worried about that as much. Am I worried there are many people who work all late at night or all day and they carry on. Specifically heard one lady all the way around the corner yelling at someone. I just got a position up if that's what must be done. Because I say no one caring about people that live around here

MAYORAL EXECUTIVE ORDER
PARTIALLY REOPENING RESTAURANTS AND BARS FOR INDOOR DINING AND
RESTRICTING GATHERINGS

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by the Governor of Maryland on March 5, 2020, and was most recently renewed on July 1, 2020 to control and prevent the spread of COVID-19 within the state, and the state of emergency and the catastrophic health emergency still exist;

WHEREAS, the Mayor of Baltimore City has declared a State of Emergency for Baltimore City due to the spread of COVID-19, which is still in place;

WHEREAS, the effects of COVID-19 require that local officials be vigilant in advising the citizens of measures they can take to protect health, safety and welfare;

WHEREAS, COVID-19 continues to pose serious health risks for the citizens of Baltimore City, particularly elderly residents and those who are immunosuppressed or otherwise have high-risk medical conditions;

WHEREAS, the Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19;

WHEREAS, to protect lives and reduce transmission of the COVID19 in Baltimore City, it is necessary for individuals to maintain safe distances from each other;

WHEREAS, although there are now measures in place such as personal protection equipment and sanitation protocols to reduce community transmission, there are indications that the number of COVID-19 cases in Baltimore City is increasing

WHEREAS, evidence suggests that dining establishments and bars are particularly high risk environments for COVID19 transmission. Some studies have indicated the single most effective orders for slowing transmission are social distancing orders related to bar and restaurant operations.

WHEREAS, the latest scientific research and expert guidance support limitations on large gatherings and the use of social distancing practices as a successful method to prevent exposures and transmissions and reduce the threat of COVID-19 to all citizens but are especially important to protect vulnerable populations;

WHEREAS, it is vital to reduce the threat of this illness in the community and it is, therefore, necessary and reasonable to set strict limits on congregating;

WHEREAS, on June 29, 2020, the Mayor issued an Executive Order allowing outdoor events of more than 10 people subject to a limit of 50% of the maximum capacity of the venue and the use of facial coverings and proper social distancing.

WHEREAS, on June 10, 2020, Governor Hogan again authorized local governments to relax certain restrictions on activities and businesses in the State including limited indoor dining and bar activity;

WHEREAS, on June 22, 2020, the Mayor issued an Executive Order authorizing serving beverages and food to customers for consumption in indoor seating areas and on July 22, 2020, due to indications of an increase in cases in the City, the Mayor rescinded the June 22 Mayoral Order as it applied to indoor dining and congregating in an attempt to prevent further transmission of COVID -19;

WHEREAS, on August 5, 2020, the Mayor issued a Mayoral Executive Order partially reopening restaurants and bars for indoor and outdoor dining and gatherings which was to go into effect at 5p.m. on Friday August 7, 2020;

WHEREAS the August 5 order is hereby rescinded and replaced by this Mayoral Executive Order Partially Reopening Restaurants and Bars for Dining and Restricting Gatherings;

WHEREAS, in order to lessen the economic impact of restaurant and bar closures but still slow any further spread of COVID19, limited opening of indoor food and beverage service at restaurants and bars and limitations on congregating in groups are being imposed;

WHEREAS, Order No. 20-06-10-01 authorizes political subdivisions such as Baltimore City to issue local orders that are more restrictive than Order No. 20-06-10-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-1.

MAYORAL EXECUTIVE ORDER
PARTIALLY REOPENING RESTAURANTS AND BARS FOR INDOOR DINING AND
RESTRICTING GATHERINGS

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by the Governor of Maryland on March 5, 2020, and was most recently renewed on July 1, 2020 to control and prevent the spread of COVID-19 within the state, and the state of emergency and the catastrophic health emergency still exist;

WHEREAS, the Mayor of Baltimore City has declared a State of Emergency for Baltimore City due to the spread of COVID-19, which is still in place;

WHEREAS, the effects of COVID-19 require that local officials be vigilant in advising the citizens of measures they can take to protect health, safety and welfare;

WHEREAS, COVID-19 continues to pose serious health risks for the citizens of Baltimore City, particularly elderly residents and those who are immunosuppressed or otherwise have high-risk medical conditions;

WHEREAS, the Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19;

WHEREAS, to protect lives and reduce transmission of the COVID19 in Baltimore City, it is necessary for individuals to maintain safe distances from each other;

WHEREAS, although there are now measures in place such as personal protection equipment and sanitation protocols to reduce community transmission, there are indications that the number of COVID-19 cases in Baltimore City is increasing

WHEREAS, evidence suggests that dining establishments and bars are particularly high risk environments for COVID19 transmission. Some studies have indicated the single most effective orders for slowing transmission are social distancing orders related to bar and restaurant operations.

WHEREAS, the latest scientific research and expert guidance support limitations on large gatherings and the use of social distancing practices as a successful method to prevent exposures and transmissions and reduce the threat of COVID-19 to all citizens but are especially important to protect vulnerable populations;

WHEREAS, it is vital to reduce the threat of this illness in the community and it is, therefore, necessary and reasonable to set strict limits on congregating;

WHEREAS, on June 29, 2020, the Mayor issued an Executive Order allowing outdoor events of more than 10 people subject to a limit of 50% of the maximum capacity of the venue and the use of facial coverings and proper social distancing.

WHEREAS, on June 10, 2020, Governor Hogan again authorized local governments to relax certain restrictions on activities and businesses in the State including limited indoor dining and bar activity;

WHEREAS, on June 22, 2020, the Mayor issued an Executive Order authorizing serving beverages and food to customers for consumption in indoor seating areas and on July 22, 2020, due to indications of an increase in cases in the City, the Mayor rescinded the June 22 Mayoral Order as it applied to indoor dining and congregating in an attempt to prevent further transmission of COVID -19;

WHEREAS, on August 5, 2020, the Mayor issued a Mayoral Executive Order partially reopening restaurants and bars for indoor and outdoor dining and gatherings which was to go into effect at 5p.m. on Friday August 7, 2020;

WHEREAS the August 5 order is hereby rescinded and replaced by this Mayoral Executive Order Partially Reopening Restaurants and Bars for Dining and Restricting Gatherings;

WHEREAS, in order to lessen the economic impact of restaurant and bar closures but still slow any further spread of COVID19, limited opening of indoor food and beverage service at restaurants and bars and limitations on congregating in groups are being imposed;

WHEREAS, Order No. 20-06-10-01 authorizes political subdivisions such as Baltimore City to issue local orders that are more restrictive than Order No. 20-06-10-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-1.

NOW THEREFORE, I, Mayor Bernard "Jack" Young, Mayor of the City of Baltimore, in consultation with the Commissioner of Health for Baltimore City and by virtue of the authority vested in me by the Governor's Order, do hereby issue the following Executive Order:

BE IT ORDERED THAT

I. Administrative Provisions.

a. The Mayoral Order dated June 8, 2020 rescinding the Stay at Home provisions in prior Mayoral Orders remains in place. Residents, however, should continue to stay home when possible. Older and more vulnerable residents, and those who live with them, are strongly advised to stay home whenever possible.

Residents and visitors should practice safe physical distancing, comply with the Health Commissioner Second Amended Directive and Order Regarding Face Coverings in Public dated July 29, 2020 (the "Face Masking Order") and frequently wash their hands and sanitize

high-touch areas. Employers should continue to encourage telework for their employees when possible.

Individuals who can work from home should continue to do so.

b. The Mayoral Orders of June 22, 2020 and July 22, 2020, to the extent that they are inconsistent with this Mayoral Order, are rescinded. This Mayoral Order also amends previous orders of the Mayor of Baltimore City regarding operations of restaurants and bars and gatherings generally.

c. The Baltimore City Health Commissioner may issue orders not inconsistent with this Order that are necessary to monitor, prevent, and reduce the spread of and suppress, COVID-19 in relation to any activity permitted by this Order or any business permitted to open under the Order.

d. In accordance with the Governor's Order 20-06-10-01, if Baltimore City determines that doing so is necessary and reasonable to save lives or prevent exposure to COVID-19, the political subdivision is hereby authorized to issue orders that are more restrictive than this Order ("Local Orders"):

e. Except as modified by this Mayoral Order, the Mayoral Orders of May 15, May 27 and June 8, 2020 remain in effect.

b. Indoor gatherings at event venues and spaces typically reserved for events are limited to the lesser of 25 persons or 25% of the facility's maximum capacity. However, if any indoor event venue or space is designed to accommodate more than one event, the limitation of the lesser of 25 persons or 25% of the maximum capacity applies to each venue or space, provided that the facility at no time exceeds 25% of its maximum capacity.

c. Outdoor gatherings at event venues and spaces typically reserved for events are limited to 25 persons.

d. There shall be a continued pause on issuing of City permits for events through September 30, 2020.

III. Food Service Establishments.

Violation of Rule 4.16 Illegal Conduct – August 28, 2020 – At approximately 10:57 PM, Baltimore City Liquor Board Agent Andy Perez of the BLLC, as part of the Social Club Taskforce, conducted an inspection of the establishment to ensure that it was operating in compliance with Mayor Bernard C. "Jack" Young's Executive Order issued August 7, 2020. Specifically, Mayor Young's Executive Order issued August 7, 2020 prohibiting indoor consumption of food and/or alcoholic beverages after 10:00 pm and limited such indoor consumption to only 25% of the establishment's maximum capacity rating as per the Baltimore City Fire Department. On August 16, 2020, the BLLC had provided a final warning to this establishment due to a prior violation of Mayor Young's Executive Order issued on August 7, 2020. Upon entering the location on August 28, 2020, Agent Perez observed approximately 8 staff members and 25 patrons eating food and consuming alcoholic beverages. A review of their maximum capacity rating as per the Baltimore City Fire Department indicated their maximum capacity was 75. Thus, the number of total patrons and staff members allowed exceeded the 25% (19 persons) threshold as stipulated by Mayor Young's Executive Order. Upon verifying this information, the establishment was then closed by a member of the Health Department. Patrons then cleared the location and the Social Club Task Force left the area.

Violation Reporting Facts:

On August 16, 2020 at approximately 12:24AM The Social Club Task Force that included members of BPD Vice, Baltimore City Health Department, Baltimore Housing, Baltimore Fire Department and BLLC responded to Noir Restaurant located at 5716 York Rd. To conduct a joint inspector and to investigate a recent complaint received by the Baltimore City Health Department for alleged covid-19 restrictions violations. At time of arrival I observed several patrons in the interior of the establishment consuming alcoholic beverages and foods. I then met the licensee, Mr. Antonio Foster and advised him that due to Covid-19, a Mayor's Executive order was issued prohibiting indoor dining after 10:00pm at establishments within the City of Baltimore as of 8/7/2020. Mr. Foster stated that he was not aware of the Mayor's Executive order and the restrictions set in place. He further stated that restrictions due to Covid-19 are constantly changing is hard for him to keep track of what is permitted and what is not during the Covid-19 state of emergency. At this time, I advised Mr., Foster he was being issued a final warning for indoor dining after 10:00PM. I also provided him a copy of the BLLC issued guidance concerning the Mayor's Executive order date 8/7/2020. I further advised Mr. Foster that it was his responsibilities to educate himself and his staff with the rules, regulations and restrictions set due to Covid-19. At this time the establishment indoors was cleared from patrons and the Task Force left the location without any further incidents.

On August 28, 2020 at approximately 10:57PM The Social Club Task Force that included members of BPD Vice, Baltimore City Health Department, Baltimore Housing and BLLC responded to Noir Restaurant located at 5716 York Rd. To investigate recent complaints received by the Baltimore City Health Department alleging that the establishment has continued to operate for indoor dining services after 10:00PM. Upon arrival I observed several violations of Covid-19 restrictions set in place. The establishment was found open and operating for indoor dining services, approximately 25 patrons were in the interior of the establishment consuming alcoholic beverages and foods. Also approximately 8 staff members were present at the time. It was noted that the maximum capacity rating for the establishment is 75. Therefore, the establishment was in excess of the 25% of the restaurant's maximum capacity currently allowed for indoors dining services. Furthermore, I observed tables weren't kept at least 6ft apart as mandated on Governor's and Mayor's executive orders. The establishment was closed per order of the health department for covid-19 restrictions violation. The establishment was cleared of patrons and the task force left the location shortly after.

**MAYORAL EXECUTIVE ORDER
PARTIALLY REOPENING RESTAURANTS AND BARS FOR INDOOR DINING AND
RESTRICTING GATHERINGS**

WHEREAS, a state of emergency and catastrophic health emergency was proclaimed by the Governor of Maryland on March 5, 2020, and was most recently renewed on July 1, 2020 to control and prevent the spread of COVID-19 within the state, and the state of emergency and the catastrophic health emergency still exist;

WHEREAS, the Mayor of Baltimore City has declared a State of Emergency for Baltimore City due to the spread of COVID-19, which is still in place;

WHEREAS, the effects of COVID-19 require that local officials be vigilant in advising the citizens of measures they can take to protect health, safety and welfare;

WHEREAS, COVID-19 continues to pose serious health risks for the citizens of Baltimore City, particularly elderly residents and those who are immunosuppressed or otherwise have high-risk medical conditions;

WHEREAS, the Centers for Disease Control (CDC) advises that social distancing is the most effective way of slowing the spread of COVID-19;

WHEREAS, to protect lives and reduce transmission of the COVID19 in Baltimore City, it is necessary for individuals to maintain safe distances from each other;

WHEREAS, although there are now measures in place such as personal protection equipment and sanitation protocols to reduce community transmission, there are indications that the number of COVID-19 cases in Baltimore City is increasing

WHEREAS, evidence suggests that dining establishments and bars are particularly high risk environments for COVID19 transmission. Some studies have indicated the single most effective orders for slowing transmission are social distancing orders related to bar and restaurant operations.

WHEREAS, the latest scientific research and expert guidance support limitations on large gatherings and the use of social distancing practices as a successful method to prevent exposures and transmissions and reduce the threat of COVID-19 to all citizens but are especially important to protect vulnerable populations;

WHEREAS, it is vital to reduce the threat of this illness in the community and it is, therefore, necessary and reasonable to set strict limits on congregating;

WHEREAS, on June 29, 2020, the Mayor issued an Executive Order allowing outdoor events of more than 10 people subject to a limit of 50% of the maximum capacity of the venue and the use of facial coverings and proper social distancing.

WHEREAS, on June 10, 2020, Governor Hogan again authorized local governments to relax certain restrictions on activities and businesses in the State including limited indoor dining and bar activity;

WHEREAS, on June 22, 2020, the Mayor issued an Executive Order authorizing serving beverages and food to customers for consumption in indoor seating areas and on July 22, 2020, due to indications of an increase in cases in the City, the Mayor rescinded the June 22 Mayoral Order as it applied to indoor dining and congregating in an attempt to prevent further transmission of COVID -19;

WHEREAS, on August 5, 2020, the Mayor issued a Mayoral Executive Order partially reopening restaurants and bars for indoor and outdoor dining and gatherings which was to go into effect at 5p.m. on Friday August 7, 2020;

WHEREAS the August 5 order is hereby rescinded and replaced by this Mayoral Executive Order Partially Reopening Restaurants and Bars for Dining and Restricting Gatherings;

WHEREAS, in order to lessen the economic impact of restaurant and bar closures but still slow any further spread of COVID19, limited opening of indoor food and beverage service at restaurants and bars and limitations on congregating in groups are being imposed;

WHEREAS, Order No. 20-06-10-01 authorizes political subdivisions such as Baltimore City to issue local orders that are more restrictive than Order No. 20-06-10-01, such as those requiring any businesses, organizations, establishments, or facilities to close or modify their operations and/or requiring individuals to remain indoors or to refrain from congregating, if deemed necessary and reasonable to save lives or prevent exposure to COVID-1.

NOW THEREFORE, I, Mayor Bernard "Jack" Young, Mayor of the City of Baltimore, in consultation with the Commissioner of Health for Baltimore City and by virtue of the authority vested in me by the Governor's Order, do hereby issue the following Executive Order:

BE IT ORDERED THAT

I. Administrative Provisions.

- a. The Mayoral Order dated June 8, 2020 rescinding the Stay at Home provisions in prior Mayoral Orders remains in place. Residents, however, should continue to stay home when possible. Older and more vulnerable residents, and those who live with them, are strongly advised to stay home whenever possible.

Residents and visitors should practice safe physical distancing, comply with the Health Commissioner Second Amended Directive and Order Regarding Face Coverings in Public dated July 29, 2020 (the "Face Masking Order") and frequently wash their hands and sanitize

high-touch areas. Employers should continue to encourage telework for their employees when possible.

Individuals who can work from home should continue to do so.

b. The Mayoral Orders of June 22, 2020 and July 22, 2020, to the extent that they are inconsistent with this Mayoral Order, are rescinded. This Mayoral Order also amends previous orders of the Mayor of Baltimore City regarding operations of restaurants and bars and gatherings generally.

c. The Baltimore City Health Commissioner may issue orders not inconsistent with this Order that are necessary to monitor, prevent, and reduce the spread of and suppress, COVID-19 in relation to any activity permitted by this Order or any business permitted to open under the Order.

d. In accordance with the Governor's Order 20-06-10-01, if Baltimore City determines that doing so is necessary and reasonable to save lives or prevent exposure to COVID-19, the political subdivision is hereby authorized to issue orders that are more restrictive than this Order ("Local Orders"):
